Providing Actionable Insights With a Connected Ecosystem

By enabling continuous improvement with a powerful combination of connectivity, analytics, alerts and more, we are enabling freight, passenger railroads and transit systems with the tools that help enhance safety, operational efficiency, and service reliability.

The Wi-Tronix team is passionately committed to its global vision of saving lives and ensuring the most efficient and reliable movement of goods and people throughout the world.

If you would like to know more about the Wi-Tronix IoT platform, read our Technical Paper, Driving Rail Operational Efficiencies with a Connected Ecosystem, by clicking here.

| **GoRail**  
425 3rd St SW  
Washington, DC 20024, US  
[https://www.gorail.org/](https://www.gorail.org/)  
| Founded in 2004 on the principle that “all politics is local,” we believe that direct input from constituents is the best way to communicate with elected officials. GoRail works with thousands of community leaders across the country to tell the local story of freight rail — stronger economies, more jobs and cleaner skies. |
| **Hardesty & Hanover**  
2140 University Park Drive, Suite 290  
Okemos, MI 48864  
[https://www.hardestyhanover.com](https://www.hardestyhanover.com)  
| Hardesty & Hanover has over 130 years experience providing complex and innovative solutions. Our Engineers specialize in managing the entire engineering life-cycle using the latest project management, design, and support innovations. As a result, projects are on time, on budget, with a high standard of design, durability, safety, and aesthetics. |
| **HDR Inc.**  
1917 S. 57th Street  
Omaha, NE 68106  
[http://www.hdrinc.com](http://www.hdrinc.com)  
| HDR has partnered with clients to shape communities and push the boundaries of what’s possible since 1917. From facilities to steel bridges to soaring flyovers, we offer customized rail infrastructure solutions. We bring our comprehensive suite of services to every project, fusing together engineering and operating practices with regulatory understanding, economics savvy and technical skills to deliver cost-saving innovation. |
| **Michigan Association of Railroad Passengers (MARP)**  
PO Box 405  
Okemos, MI 48805  
[www.marp.org](http://www.marp.org)  
| The Michigan Association of Railroad Passengers, Inc. is a 501(c)(3) all-volunteer advocacy organization founded in 1973 to improve passenger train and intercity bus services, travel conditions for passengers, and to support the preservation of historic rail stations. MARP publishes a bi-annual newspaper and a monthly online bulletin. Visit us at www.marp.org. Contact us at marprail@yahoo.com. |
MSU
Henry Center
3535 Forest Rd. C-34
Lansing, MI 48910
https://broad.msu.edu/railway-center/
